

Northamptonshire Talking

Newsletter

Welcome Corby

Welcome to the Northamptonshire Talking newsletter designed to keep you up to date on how this platform is being used to keep you and your communities safe.

Over **44,000** people have signed up to the platform. Northamptonshire Police want to thank you for the huge role you are playing to help them tackle crime and protect people, by responding to their messages and providing vital information.

Meet your local team

You can find out who your local team is by entering your postcode on the [contact page](#), which will take you through to your area. Your PCSO's are your community contacts who can offer support and advice about local crime concerns. The teams also hold regular community surgeries and beat buses which give you a chance to meet your team in person. These are advertised in advance and you can see them on your local area page.

Your PCSOs:

PCSO Wallace- NC2

**PCSO Asante-Ampaduh-
NC1**

PCSO Devlin- NC1

PCSO Panther- NC1

March Engagement Statistics

This month, your Neighbourhood Policing Team held **12** community engagements.

Community engagements play a huge role in strengthening ties between communities and the police. They give you a chance to meet your local teams, ask advice and guidance on your concerns, and stay up to date with important issues.

Find your upcoming events on the local area page.

CORBY UPDATES

Tackling ASB

Officers in Corby are targeting ASB in the town centre as part of **Operation Alien**. The team have crewed up with town centre security and the retail crime team to tackle shoplifting, and have identified 5 key young people involved in this behaviour. These individuals have been involved in assaults, criminal damage, commercial burglary and possession of drugs. Since **Op Alien**, there has been a significant reduction of ASB in the town centre with more than 30 young people identified by the team. They continue to work with local government and the youth offending service to tackle this behaviour. Dispersal powers have been used on four occasions to tackle street drinking and suspected drug dealing. The team are working with trading standards to visit shops who continue supplying alcohol to those already intoxicated, who will lose their license if caught. We all want to keep our community safe, so please continue to report ASB online [here](#).

Motorcycle ASB

As part of **Operation Pacify**, the local team continue to make significant progress tackling motorcycle nuisance. The team are involved in ongoing investigations to gain intel through phones and work with motorcycle companies for tracking information for warrants. 3 warrants have been issued, multiple people are on bail for offences awaiting sentencing, and 3 outcall dispersals for damage caused by riding motorcycles in a local nature reserve.

Retail Crime

A 34-year-old Corby man has been banned from specific areas of Corby, including the town centre and Willows Place Shopping Centre, due to his involvement in persistent anti-social and illegal behaviour.

Retailers across Northamptonshire are being encouraged to join the county's business crime partnership to prevent, disrupt and deter retail crime and anti-social behaviour in town centres and retail areas. More information is available [here](#).

If you have concerns or information regarding ASB in the area, please reach out to your neighbourhood team. They regularly hold engagements where you can talk to your PCSOs in person which are advertised in advance.

GENERAL UPDATES

How do I report speeding?

If you are concerned about speeding, you should contact your neighbourhood policing team. You can also report driving offences online here [Report a road traffic incident](#) | [Northamptonshire Police](#).

Your PCSOs have received speed enforcement training and can use the speed guns if you report speeding concerns on a certain road/area. PCs have the power to stop and deal with vehicles at the roadside who can educate drivers or prosecute them with a ticket. PCSOs can give out warning letters to drivers caught and will then pass on their reports to the safer roads team.

You can access road safety information and data via our public access system [here](#). You can see our enforcement locations, the monthly number of offences throughout the county, and submissions and outcomes of Op Snap.

Op Snap

This scheme allows the public to submit dashcam evidence online regarding road offences within 14 days of the offence. The team **can only accept video footage**. They will then prosecute the driver with a notice of intended prosecution.

In February 2025, there were 154 submissions to Op Snap. You can submit your footage here [Northamptonshire Police Operation Snap](#).

Get involved!

Help keep your community safe by joining your local **neighbourhood watch** scheme [here](#).

Growing Together offer litter picking activities throughout the county. More information available [here](#).

Northamptonshire Healthy Futures provide free drug and alcohol training sessions to promote healthier and safer communities. You can sign up to session of ketamine on 23rd April [here](#), and dependency and addiction session on 28th April [here](#).

We value your feedback

Please rate this message and let us know what you thought of the first Northamptonshire Talking newsletter issue. If you have any topics you would like to see in the next issue, please let us know.
